

## COVID-19 GUIDELINES

We will be adhering to COVID guidelines and taking the following precautions to ensure a safe environment for our students:

- Temperatures will be taken at the door. No one with a temperature of over 100 will be admitted. NO EXCEPTION
- Workstations will be socially distanced
- Gloves will be worn by students at all times
- Masks will be worn by the instructor and assistants at all times. Students will be required to wear a mask when not at their workstation
- Hand washing will be strictly enforced

As has been our standard, the Let's Cook kitchen will continue to be disinfected before, during, and after class.

Please reach out to [cburns@letscookco.com](mailto:cburns@letscookco.com) if you have any questions or concerns.

Sincerely,  
The Staff at Let's Cook
